HOW TO VOTE YOUR SHARES

Appointment and Revocation of Proxies

The persons named in the enclosed form of proxy (the "**Form of Proxy**") are Travis McIntyre and Barbara O'Neill, CanadaBis' President and Chief Executive Officer, and Corporate Secretary, respectively (the "**Management Designees**"). **As a Shareholder, you have the right to appoint a person or company, who need not be a Shareholder, to represent you at the Meeting.** To exercise this right you should insert the name of the desired representative in the blank space provided on the Form of Proxy and strike out the names of the Management Designees or submit another appropriate proxy. The instrument appointing a proxy must be in writing and must be executed by you or your attorney authorized in writing or, if you are a corporation, under your corporate seal or by a duly authorized officer or attorney of the corporation.

To be valid, the Form of Proxy must be dated, completed, signed and deposited with the Corporation: (i) by mail to CanadaBis Capital Inc., Suite 1620, 734 – 7th Avenue SW, Calgary, Alberta, T2P 3P8; or (ii) voting by facsimile 1-403-266-2606. Your proxy or voting instructions must be received in each case no later than 11:00 a.m. (Calgary time) on November 19, 2024, or, if the Meeting is adjourned, 24 hours (excluding Saturdays, Sundays and holidays) before the beginning of any adjourned meeting. If you

receive more than one proxy form because you own Common Shares registered in different names or addresses, each proxy form should be completed and returned.

You may revoke your proxy at any time prior to the exercise thereof. If you or the person you give your proxy to attend personally at the Meeting, you or such person may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing executed by you or your attorney authorized in writing or, if you are a corporation, under your corporate seal or by a duly authorized officer or attorney of the corporation. To be effective, the instrument in writing must be deposited either at our head office at any time up to and including the last business day before the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the chairman of the Meeting on the day of the Meeting, or any adjournment thereof.

Persons Making the Solicitation

This solicitation is made on behalf of our Management Designees. We will bear the costs incurred in the preparation and mailing of the Form of Proxy, notice of annual and special meeting and this Information Circular. In addition to mailing the Forms of Proxy, proxies may be solicited by personal interviews, or by other means of communication, by our directors, officers and employees who will not be remunerated therefor.

Exercise of Discretion by Proxy

The Common Shares represented by proxy in favour of Management Designees will be voted on any matter at the Meeting. Where you specify a choice with respect to any matter to be acted upon, the Common Shares will be voted or withheld from voting on any matter in accordance with the specification so made. If you do not provide instructions, your Common Shares will be voted in favour of the matters to be acted upon as set out herein. The persons appointed under the Form of Proxy which we have furnished are conferred with discretionary authority with respect to amendments or variations of those matters specified in the Form of Proxy and notice of annual and special meeting and with respect to any other matters which may properly be brought before the Meeting or any adjournment thereof. At the time of printing this Information Circular, we know of no such amendment, variation or other matter.

Advice to Beneficial Holders

The information set forth in this section is of significant importance to you if you do not hold your Common Shares in your own name. Shareholders who do not hold Common Shares in their own name are referred to throughout this Information Circular as “**Beneficial Shareholders**”. Only proxies deposited by Shareholders whose names appear on our records as the registered holders of such Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in your account statement provided by your broker, then in almost all cases those shares will not be registered in your name on our records. Such Common Shares will likely be registered under the name of your broker or an agent of that broker. In Canada, the vast majority of shares are registered under the name of CDS & Co., the registration name for CDS Clearing and Depository Services Inc., which acts as nominees for many Canadian brokerage firms. Common Shares held by your broker or their nominee can only be voted upon your instructions. Without specific instructions, your broker or their nominee is prohibited from voting your Common Shares. We do not know for whose benefit the shares registered in the name of CDS & Co. are held.

Applicable regulatory policy requires your broker to seek voting instructions from you in advance of the Meeting. Every broker has its own mailing procedures and provides its own return instructions, which you should carefully follow in order to ensure that your shares are voted at the Meeting. Often, the form of proxy supplied by your broker is identical to the Form of Proxy provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications, Canada (“**Broadridge**”) which mails a scannable voting instruction form in lieu of a form of proxy. You are asked to complete and return the voting instruction form to them by mail or facsimile. Alternately, you can call their toll-free telephone number or access the internet to vote your shares. They then tabulate the results of all instructions received and provide appropriate instructions respecting the voting of such shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, it cannot be used as a proxy to vote shares directly at the Meeting as the proxy must be returned to them well in advance of the Meeting in order to have the shares voted.**

Although you may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of your broker, you may attend the Meeting as a proxyholder for the registered holder and vote your shares in that capacity. If you wish to attend the Meeting and vote your own Common Shares, you must do so as proxyholder for the registered holder. To do this, you should enter your own name in the blank space on the form of proxy provided to you and return the document to your broker or the agent of such broker in accordance with the instructions provided by such broker well in advance of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

We are authorized to issue an unlimited number of Common Shares. As at the Record Date, there were 138,256,380 Common Shares issued and outstanding. As a holder of Common Shares, you are entitled to one vote for each Common Share owned.

Approval of Stock Option Plan

Summary of Option Plan

Pursuant to TSX Venture Exchange ("**TSXV**") Policy 4.4, corporations that have a rolling stock option plan reserving a maximum of 10% of the issued and outstanding shares of the corporation must receive annual shareholder approval of their stock option plan. In accordance with this policy, the Corporation adopted a stock option plan on December 22, 2016 (the "**Plan**") and most recently received annual approval on August 30, 2023. The Plan authorizes the Board to issue Common Shares issuable upon exercise of options (the "**Options**") to directors, officers, key employees and others who are in a position to contribute to the future success and growth of the Corporation. The Corporation wishes to continue to use the Plan and is seeking the approval of the Shareholders at the Meeting.

Under the Plan, the aggregate number of Common Shares issuable under the Plan may not exceed 10% of the total number of outstanding Common Shares of the Corporation at the time the Options are granted. Further, the aggregate number of Common Shares issuable under the Plan to any one individual may not exceed 5% of the total number of outstanding Common Shares of the Corporation and, in the case of consultants and persons retained to perform investor relation activities, shall not exceed 2% in any 12 month period. Options granted to any person performing investor relations activities shall at a minimum vest in stages over 12 months with no more than ¼ Options vesting at three months, ¼ Options at 6 months, ¼ Options at 9 months and the remainder of the Options vesting at 12 months. Options issued pursuant to the Plan must have an exercise price (must not be less than the Discounted Market

Price) not less than that from time to time permitted by the stock exchange on which the Common Shares are then listed. The period during which an Option may be exercised shall be determined by the Board at the time the Option is granted, subject to any vesting limitations which may be imposed by the Board at the time such Option is granted, provided no Option shall be exercisable for a period exceeding 10 years (the “**Option Period**”). All Options are non-assignable and non-transferable.

The Options granted under the Plan expire on the earlier of the date of the expiration of the Option Period noted above and 90 days after the date a holder ceases to hold the position or positions of director, officer, employee or consultant of the Corporation (or 30 days for any optionee engaged in investor relations activities). In the event of the death or permanent disability of an holder, any Option previously granted to him shall be exercisable until the end of the Option period noted above or until the expiration of 12 months after the date of death or permanent disability of such holder, whichever is earlier.

In the event of a sale by the Corporation of all or substantially all of its assets or in the event of a change in control of the Corporation, each holder shall be entitled to exercise, in whole or in part, the Options granted to such holder, either during the term of the Option or within 90 days after the date of the sale or change of control, whichever first occurs.

The Corporation has previously amended the Plan to allow outstanding Options that expire within a formally imposed blackout period (“**Blackout Period**”) called by the Corporation to be extended and expire ten (10) business days after the expiry of the Blackout Period.

However, if any other matters properly come before the Meeting, the accompanying instrument of proxy will be voted on such matters with the best judgment of the person or persons voting the proxy.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Executive Compensation is required to be disclosed for each: (i) Chief Executive Officer (or individual who served in a similar capacity during the most recently completed financial year); (ii) each Chief Financial Officer (or individual who served in a similar capacity during the most recently completed financial year); (iii) the most highly compensated executive officer other than the Chief Executive Officer and the Chief Financial Officer, who was serving as an executive officer at the end of the most recently completed fiscal year and whose total compensation was more than \$150,000; and (iv) each individual who would meet the definition set forth in (iii) but for the fact that the individual was neither an executive officer of the company, nor acting in a similar capacity, at the end of that financial year (collectively, the "**Named Executive Officers**"). The Named Executive Officers of the Corporation for the year ended July 31, 2023, 2022 and 2021 was Travis McIntyre who served as President and Shane Chana who served as Chief Financial Officer until August 30, 2023. Garfield Richards was appointed Chief Financial Officer on August 30, 2023.

Philosophy and Objectives

The Board, including Mr. McIntyre (who is also an officer of the Corporation), is responsible for approving all compensation paid by the Corporation to its directors and senior officers. No compensation was paid to its directors or senior officers during the year ended July 31, 2023.

The Board is responsible for reviewing and approving the position description for the President, which shall include his authorities and accountabilities, the corporate goals and objectives for which the President shall be responsible, monitoring of the President's performance relative to these goals and objectives, and to formally evaluate his performance at least annually.

The President makes recommendations to the Board regarding the position description, corporate goals and objectives as well as the compensation level of the other senior executives of the Corporation.

The Board reviews the President's recommendations respecting compensation of other senior executives of the Corporation, to ensure such arrangements reflect the responsibilities and risk associated with each position. When determining compensation, the Board considers: (i) recruiting and retaining executives critical to the success of the Corporation and the enhancement of Shareholder value; (ii) providing fair compensation based on the nature and scope of the Corporation's business; (iii) balancing the interests of management and Shareholders; and (iv) rewarding performance, both on an individual basis and with

respect to operations in general. The compensation paid to a Corporation's executive officer may consist of a base per diem or hourly rate and from time to time may consist of an incentive in the form of Options.

The Corporation maintains directors' and officers' liability insurance for its directors and officers. The amount of the directors' and officers' liability insurance premium (the "Premium") for the 2023-2024 year was \$70,755 per annum for annual aggregate coverage of \$3,000,000. The amount of the Premium for the 2024-2025 year was \$70,605 per annum for annual aggregate coverage of \$3,000,000.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed in this Information Circular, none of the directors or senior officers of the Corporation, proposed nominees for election as a director of the Corporation, nor any other Informed Persons (as defined in National Instrument 51-102 – *Continuous Disclosure Obligations*), nor any person who beneficially owns, directly or indirectly, securities carrying more than 10% of the voting rights attached to the issued shares of the Corporation, nor any associate or affiliate of the foregoing persons has any

material interest, direct or indirect, in any transaction since the commencement of the 2023 financial year or in any proposed transaction which, in either case, has affected or will materially affect the Corporation and none of such persons has any material interest in any transaction proposed to be undertaken by the Corporation that will materially affect the Corporation.

During the year ended July 31, 2023, the Corporation had the following related party transactions and balances with a company of which one of the directors or shareholders is also a director or shareholder of the Corporation:

1. As at July 31, 2023, the Corporation was owed \$14,090 (2022 - \$14,090) from 890859 Alberta Ltd., a company owned by a Shareholder and officer of the Corporation. 890859 Alberta Ltd. that sold non-cannabis balms and creams produced by the Corporation and used to sublease space from the Corporation's retail location for rental income. This space was not subleased for the year ended July 31, 2023.
2. As at July 31, 2023, the Corporation owed amounts to a related party, SS Pipe Line Ltd., of \$689,745 (2022 - \$689,745) owned by the Chief Executive Officer of the Corporation. The amounts are non-interest bearing, unsecured, and have no fixed terms of repayment.
3. As at July 31, 2023, the Corporation had amounts due to a related party, Runway Developments Ltd., of \$653,791 (2022 - \$653,791). The amount due bears interest at 7% per annum and matured on December 31, 2021. Subsequent to July 31, 2021, additional funds of \$277,193 advanced for operational purposes during the year were repaid in the year ended July 31, 2022. As at July 31, 2023, the balance outstanding includes accrued interest of \$3,791.
4. As at July 31, 2023, an aggregate amount of \$154,773 (2022 - \$84,415) was due to a director and shareholder of the Corporation. These amounts are due on demand, unsecured and interest free. The majority of this amount outstanding pertained to the vape machine rental fee, of which approximately \$72,000 was repaid subsequent to July 31, 2023. During the year ended July 31, 2023, the Corporation entered into separate agreements to rent for a 12 month period a vape filling machine from a director and shareholder of the Corporation. Considering the related party nature of this transaction and outside of the normal course of business, the rate implicit to the arrangement approved by the Board was 11.0% and the original vendor cost of the asset was supported by an arm's length transaction between the lender and the vendor. For accounting purposes, the incremental borrowing rate for the Corporation (lessee) was assessed as 12.0% supported by an independent financing quote but due to financing constraints the Corporation entered this lease arrangement with a related party. As at January 31, 2021, a right-of-use asset of \$629,240 was recognized and a corresponding lease obligation (Note 13). The right-of use asset is depreciated over the lease term on a straight-line basis, which is shorter than the asset's useful life. During the years ended July 31, 2023 and 2022, the aggregate lease payments for the extraction machine was \$143,898.

During the years ended July 31, 2023 and 2022, no operational and capital expenses were paid by the related parties on behalf of the Corporation. During the years ended July 31, 2023 and 2022, non-cannabis products sales to related parties were \$Nil and \$2,400, respectively. On October 5, 2023, the Board approved a consulting agreement with a director to provide certain legal, corporate and administration consulting services for a period from May 1, 2023 and an end date of April 30, 2024. The terms and conditions of this consulting agreement is within normal course of business and payable immediately. INTEREST OF CERTAIN PERSONS AND COMPANIES IN MATTERS TO BE ACTED ON

Except as disclosed in this Information Circular, management of the Corporation is not aware of any director or senior officer of the Corporation nor any proposed nominee for election as a director of the Corporation nor any associate or affiliate of any of the foregoing persons who holds any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise in any matter to be acted on.

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Corporation. The Board is committed to sound corporate governance practices, which are both in the interests of its shareholders and contribute to effective and efficient decision-making. The Corporation believes that its corporate governance practices ensure that the business and affairs of the Corporation are effectively managed so as to enhance shareholder value.

Disclosure of Corporate Governance Practices

The Corporation has reviewed its corporate governance practices in light of the guidelines contained in National Instrument 58-201 – *Corporate Governance Guidelines* (“**NI 58-201**”). The Corporation’s practices comply generally with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Corporation at its current stage of development and therefore these guidelines have not been adopted. Set out below is a description of the Corporation’s corporate governance practices as required by National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”).

Board of Directors

The Board does currently function independently of management because three of its five (5) members are non-management. The Board has determined that three of the five directors proposed for election at the Meeting are independent. An independent director is a director who is independent of management and free from any interest, business or other relationship that could, or could reasonably be perceived to materially interfere with the director’s ability to act in the best interests of the Corporation, other than interests arising from their capacity as shareholders. Mr. Michaud, Ms. Bacsalmasi and Ms. O’Neill are

considered to be independent directors. Mr. McIntyre is not considered to be an independent director as he is an officer of the Corporation and Mr. Chana was an officer until August 30, 2023 and will not be considered independent until 3 years have passed since he ceased to be an officer.

The directors meet at least quarterly. The Board holds meetings as required at which the opinion of the independent directors is sought and duly acted upon for all material matters relating to the Corporation.

Orientation and Continuing Education

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing corporate policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate given the Corporation's size and current level of operations. However, if the growth of the Corporation's operations warrants it, it is likely that a formal orientation process will be implemented.

In addition, management of the Corporation makes itself available for discussion with all Board members.

Ethical Business Conduct

Given the size of the Corporation, the Board believes that thru the fiduciary duties placed on individual directors by the Corporation's corporate governance practice and the common law and restrictions placed by application corporate legislation on an individual director's participation in decisions of the Board in which a director has an interest have been sufficient to ensure that the Board operates independently of management, in the best interest of the Corporation and reflects a culture of integrity and ethical business conduct. The Board has not adopted a Code of Ethics.

A "Whistleblower Policy" is currently under review by the Board wherein employees, directors, officers and consultants of the Corporation will be provided with a mechanism by which they can raise concerns through a confidential, anonymous process.

Nominating and Corporate Governance Committee

The Board of directors has not appointed a nominating or corporate governance committee. As a result of the Corporation's size, its stage of development and the limited number of individuals on the Board, the Board considers a "Nominating and Corporate Governance" committee to be inappropriate at this time.

Assessments

Neither the Corporation nor the Board has determined formal means or methods to regularly assess the Board, its committees or individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director are informally monitored by the other board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

Other Committees

The Corporation does not have any committees other than the Audit and Compensation Committee. The Board has determined that additional committees are not necessary at this stage of the Corporation's development.

Compensation Committee

The Board has a Compensation Committee consisting of Mr. Michaud, Ms. Bacsalmasi and Ms. O'Neill. Two members of the Compensation Committee, Mr. Michaud and Ms. Bacsalmasi, are independent directors. The Board believes that it is appropriate for it to perform the functions of the Compensation Committee as a result of the Corporation's size.

The Compensation Committee shall, in addition to any other duties and responsibilities specifically delegated to it by the Board, generally assume responsibility for assisting the Board in respect of compensation policies for the Corporation and to review and recommend compensation strategies for the Corporation and proposals relating to compensation for officers, directors and employees and to assess the performance of the officers of the Corporation in fulfilling their responsibilities and meeting corporate objectives. In discharging its responsibilities, the Compensation Committee will report and, where appropriate, make recommendations to the Corporation in respect of the matters identified in this mandate.

Audit Committee

The members of the Audit Committee are Mr. Chana (Chair), Mr. Michaud and Ms. Bacsalmasi. All members of the Audit Committee are financially literate within the meaning of NI 52-110 – *Audit Committees* ("**NI 52-110**"). Mr. Michaud and Ms. Bacsalmasi are independent directors.

Relevant Education and Experience

All of the members of the Audit Committee are senior level executive business persons with extensive experience in financial matters. Each member of the Audit Committee has a broad understanding of accounting principles used to prepare financial statements and varied experience as to general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavour. In addition, each of the members of the Audit Committee have knowledge of the role of an audit committee in the realm of reporting companies from their years of experience advising or acting as directors and/or officers of other public companies. For further information regarding relevant education and experience please see the biographies provided above.

The Audit Committee reviews our annual and interim financial statements and related management discussion and analysis prior to their submission to our Board for approval. They oversee the work of the external auditors, review the appropriateness of significant accounting policies and changes in accounting principles and review our process for testing internal control systems and procedures. Please see a copy of the charter of our Audit Committee attached hereto as Appendix "A" to this Information Circular.

Audit Committee Oversight

During the most recently completed financial year, our Board has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Audit Committee, on a case-by-case basis.

October 2024

Dear Shareholders,

I hope this letter finds you well. As we reflect on the past year, I am pleased to share our progress and future outlook at CanadaBis Capital. It has been a year filled with both challenges and opportunities, and I want to take a moment to thank each of you for your continued support and trust in our vision.

Performance Overview

In fiscal 2024, we increased our market position driven primarily by steady positive fiscal performance, new product launches, expansion into new markets, and our commitment to innovation and quality. During this time, we recognized that being first into many market segments was sure to be followed by many challengers and price compression in a competitive market place. This influx of competition was not without foresight and with company goals in mind, the Stigma Grow group set out to ensure we could not only keep our market share but continue to grow it along the way. This costs both time and money as seen in the first quarters of the year and we strongly believe that it was the right choice for the long-term success growth of the company. We are very excited for the future revenue streams from European sales, as well as new domestic sales on new innovative products in the coming quarters.

Strategic Initiatives

We have implemented several strategic initiatives aimed at enhancing operational efficiency and customer satisfaction. One of our most significant projects has been reducing our input material costs, while this cannot be done without the careful selection of vendors to ensure product quality remains stable it has started to result in effective management of COGS. Second our focus has been on internal metrix that directly relate to bottom line, while none of these are short term they will and have started to take hold over the coming quarters again focusing on the long-term company goal of remaining a profitable entity. These efforts reflect our dedication to not only meeting but exceeding the expectations of our customers and stakeholders.

Sustainability Commitment

At CanadaBis Capital, we recognize the importance of sustainability in our operations. We are proud to report that we have reduced our waste in packaging by substantial amounts this fiscal year. CanadaBis Capital has joined forces with Recycle BC in efforts to further reduce our footprint in the Province. Our commitment to social responsibility is not just a mandate but a core aspect of our business model.

Looking Ahead

As we move forward into 2024-2025 fiscal, we are excited about the opportunities ahead. We will continue to invest in technology, talent acquisition, etc. to drive growth and innovation. We are confident that our strategic roadmap will enable us to navigate the evolving market landscape successfully.
